To the SafeGulf Advisory Group:

PEC/Premier (PEC) and the Associated Safety Council Inc. (ASC) wish to inform the SafeGulf Advisory Group (SGAG) that PEC recently purchased the SafeGulf Intellectual Properties from ASC. PEC has agreed to maintain the current policies and procedures of the SafeGulf program for a minimum of two years and the structure of the SafeGulf process as directed by the SGAG. PEC will continue to make regular uploads of all trainee information into ISNetwork.

During this transition period Sonny Hedges has unselfishly agreed to be the contact point and continue to conduct SafeGulf business. Through this structure we believe the integrity of the SafeGulf process will be maintained and/or enhanced. We both look forward to a smooth and uneventful transfer of the business and a continued commitment to the vision of the SGAG.

If you have any questions please feel free to call either Sonny at 504-329-7947 or Pete Eustis at 985-264-8138.
