Dear SafeGulf Subscriber,

We at PEC/Premier Safety Management, Inc. wish to inform you that the Associated Safety Council (ASC) sold the intellectual properties of SafeGulf to PEC. As a result of the sale, PEC will now be hosting the website, producing ID cards and handling all administrative duties. The SafeGulf Advisory Committee will still have oversight of the program and its processes.

Sonny Hedges will still be participating with SafeGulf during this transition period but will not be handling the day to day duties he was involved with in the past.

If you have general questions regarding SafeGulf please contact Gary Pohlmann toll free at 866-647-2338 ex. 218. For information on SafeGulf ID cards please contact Karen Miller at 866-647-2338 ex. 206.

In closing we want to thank you for your continued support of the SafeGulf initiative and look forward to working with you in the future.

Cordially,
Pete Eustis
